Remarks

These remarks are set forth in response to the Final Office Action. Presently, claims 1 through 16 and 21 through 29 are pending in the Patent Application. In the Final Office Action, claims 1-10, 13, 15, 17-23, 26 and 28 have been rejected on cited art. The Examiner has indicated, however, that claims 11-12, 14, 16, 24-25, 27 and 29 are objected to only as being dependent upon a rejected base claim and otherwise are allowable.

In response, the Applicant has cancelled the rejected claims and have amended claims 11-12, 14, 16, 24-25, 27 and 29 to incorporate all limitations of the intervening base claims. Accordingly, this Application is believed to be in condition for allowance and such action is respectfully requested. The Applicants request that the Examiner call the undersigned if clarification is needed on any matter within this Amendment, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion.

Respectfully submitted,

Dated: October 29, 2007
